

My name is Estela Le. I first came to St. Andrew's in 2000 when I brought my parents to the Friday hot lunch. I walked them in and spoke to Tim asking what time to pick them up and he invited my son Shawn and I to stay also. Shawn was then 5 years old and he saw Tim cooking, serving and doing the dishes and asked me if we should help. We did and since then we have been helping every week with Friday lunch.

I then heard about the Thursday food distribution so my friend Juana and I would come to the line and receive our bag of food. One day Annie was setting up tables outside with bread and milk and again I offered to help. Juana and I have been helping there every Thursday since. I then took over the computer sign in procedure that tracks how many we serve for the food bank reports.

I have been giving back for 13 years because this ministry has affected myself and my family in such a positive way. We are always welcomed by everyone at St. Andrew's and St. Andrew's has become another family to us. I know I have helped different people in my community and am now more accepting and aware of the people in my community by working with the two ministries. I realized we are all equal within Gods view.
