

Let us welcome you to St. Andrew's

One of the things we are most thankful for at St. Andrew's is having new people come through our doors, searching for a spiritual experience, hoping to find God within our community. Our semi-annual Newcomer/New Member Coffee is one way of making those who are new feel valued and more comfortable when they come on Sunday morning. If you are new to St. Andrew's within the last year, or would simply like to join us and share what you hope to find in the community at St. Andrew's, please come!
