

The Pajama Project has just completed its 24th year! **We need your help today to fund our supplies for this 25th year**

Despite COVID, five of our dedicated sewists have spent their quarantine washing, cutting, and sewing all of our available flannel! The Pajama Project just distributed another **1437 pairs of PJ's** and pants during the holidays. Our volunteers are ready to sew warm PJ's and quilts lovingly made from our flannel scraps. Using all of our supplies wisely, nothing goes to waste.

Check out our little ones and smiling marine who were gifted with these "Handmade with Love" PJ's last year.

The Pajama Project has given 16,000 PJ's to comfort a child, homeless teen or woman in need

Domestic abuse centers, teen shelters, military outreach programs, and food pantries are so grateful to be able to distribute to those most in need during this difficult year. These recipients are living in poverty or a shelter, grieving, suffering from illness or abuse.

The PJ Project is a community based, non-denominational project which originated at the Bethlehem Lutheran Church in Encinitas. To avoid

checking and fund raising fees we accept donations through the church and those funds are reserved specifically for The Pajama Project. All Donations are tax deductible through Bethlehem Lutheran Church and financial records are available upon request.

You can easily donate by:

Mailing a check made out to Bethlehem Lutheran Church at 925 Balour Dr., Encinitas CA 92024. Note in the memo line, "Pajama Project"

OR

Donate online by going to www.blcenc.org, click on "Contribute" to go to the Stewardship page. Below "Give Online" click on "Give Now". Please be sure to fill in "Pajama Project" in the "special" area to direct your donation.

Thank You with Warm Hugs from the Pajama Project,
Belinda Simonini
