DIRECTORS NOTE:

Fall registration for 2019-2020 school year is coming to a close...we are nearly full for our MWF classes next year! Please submit the registration form with the registration fee asap to guarantee your child's spot or a spot for your upcoming preschooler.

Our **summer school programs**, both Kinder Boost and Summer Fun, will be offered in July. The dates are **Tuesdays, Wednesdays, & Thursdays** from Tuesday, July 9 thru Thursday, August 1, 9 am-12:30. However, both programs offer a flexible attendance with a prorata available.

Specifically, Kinder Boost is set up for children who are entering Kindergarten. Summer Fun is for our returning preschoolers. Registration forms are available in the office and on cubbies.

CLASSROOM INFO:

Looking ahead: Our annual field trip to Fire Station #5 down the street is scheduled for **Friday, May 24th**. We will leave preschool around 9:15 and return around 10:45. This is a walking field trip so we need parent volunteers to assist us with the children. Volunteer sign-up sheets will be on the parent boards at the beginning of May. Thank you in advance!
